

# Lewtrenchard WI June Report

**Thirteen of us and partners met at 10.30am on June 12 at Ruth's, we drove to Blisland for our annual day out.** It took about 30 minutes to get there. We had a quick stop by the green then went on for a mile to the Camel trail where we parked and went for a leisurely stroll.

Then back to Blisland where we were able to park by the green. Most of us opted for a pub lunch outside overlooking the green. At 2.30pm, we met Charles Whitehead for a guided tour through the churchyard and the church. Some parts of the church date back to the 11th century and other parts to the 15th century. The church had some impressive history and visitors including our now King Charles III & Queen Camilla. Charles was very knowledgeable and clearly passionate about the church & the village.

**INSPIRING WOMEN**

It was a most enjoyable outing and everyone thoroughly enjoyed each other's company. Blisland is well worth a visit, it has something for all ages and interests.

We set off for home just before 4pm.

**Date and venue for next meeting: Monday July 10, 2023 at 7.30pm.** The police have sadly cancelled Cyber Security, a new speaker to be advised. Interesting item beginning with 'E', don't forget your flower of the month.
