

Lewtrenchard WI December Report

We met on December 11 at Lewdown Victory Hall. Margaret welcomed 22 members and 1 guest bell ringer. Margaret introduced Jean who has joined our committee. Presently there are 7 members on the committee but we would welcome more. Then we sang Jerusalem.

The committee then surprised the members by singing '(Hey) Big Spender', all dressed-up for the part, this was received with a lot of hilarity. Then followed the

hand bell ringers from Lewtrenchard, performing songs and carols. They provided lyrics so everyone took part singing along. Some members had a go at hand bell ringing. Then we moved onto refreshments and Secret Santa. Everyone had a jolly good time.
